Our Lady Help of Christians School

Mission Statement and Spiritual Philosophy

Our Lady Help of Christians School is a community of educators united in a common purpose; to teach and live the Good News of Jesus Christ, to build and experience a Catholic Community shaped in the values of the Gospel, and to serve the needs of others. The school community promotes moral values in all students as well as dignity and respect for oneself, fellow students and adults as they continue to grow physically and spiritually. Intellectual challenges that inspire a love of learning are encouraged and facilitated by a qualified and educated faculty.

The spiritual philosophy of Our Lady Help of Christians School is to acknowledge and affirm the presence of God, and to make the Gospel message known and lived:

- To foster a love and appreciation of our Catholic Faith by presenting its truths accurately, completely and consistently
- To show our students by word, action and deed how to live their faith as committed Christians
- To engage the joint participation of parents, teachers, and parish staff in developing and expanding the student's capacity for right judgment
- To promote Christian values, preparing the students for mission awareness, community outreach, and Catholic service

We believe this philosophy will educate our students as Jesus did.

Policy of Non-Discrimination: Our Lady Help of Christians School does not discriminate on the basis of race, color, national, or ethnic origin in the administration in the educational policies, admissions policies, and other school-administered programs.

Policy on Sexual Harassment: Our Lady Help of Christians School follows the Archdiocesan guidelines regarding sexual harassment. It is our policy to prohibit sexual harassment by any person in any form. Sexual harassment is against the law, has no place in our working environment, and is completely unethical to the Catholic mission of our school.

2016-17 School Policies

Academic Expectations (B.2)

The school expects students to perform to the best of their ability. Teachers are expected to evaluate student progress on a regular basis. Students will be given quizzes or tests regularly. After the test is graded, it will be sent home for the parent to review and sign. Parent signature indicates that the parent is aware of the student's progress. If a parent does not receive quizzes or tests to sign, the parent should contact the teacher. It is expected that Parents will check student assignment scores/grades (Cornerstone) on a weekly basis to remain current with student academic progress.

Graduation (E.19)

At the discretion of the Principal, each school has the right not to certify the student's graduation or provide transcripts of the student's academic record to third parties such as other schools, colleges, or employers, or to issue a diploma to the student, if there has been a breach of a material condition of the contract (i.e., failure to meet financial obligations, infractions against the school's code of conduct). Failure of classes as it pertains to Retention is outlined in section (G.5) – Retention/Promotion.

Homework (E.8)

Homework is an essential part of the instructional program and reinforces learning. It serves as a means for clarifying and reviewing material learned in class, for providing motivation and opportunity for individual growth, and for creating experiences of in-depth study and supplementary reading.

The time allotments for homework (written and study) are as follows:

Kindergarten	approximately 15 minutes
Grades 1 & 2	approximately 30 minutes
Grades 3 & 4	approximately 45 minutes
Grades 5 & 6	approximately 90 minutes
Grades 7 & 8	approximately 120 minutes

Students are required to complete all homework and it is expected that parents or guardians sign the completed homework. In instances of a student absence due to injury or illness (**with** Doctor's note), students will be provided the same number of days to complete missing assignments as they were absent. In instances where no Doctor's note is provided, the students will be given two (2) days to complete the missing work before it will be graded as a 60%.

In instances where there are no absences, the grade deduction will be as follows:

Days Late	Grade Deduction
1	10 points (Max. 90)
2	10 points (Max. 80)
3	10 points (Max. 70)
4	10 points (Max. 60)

After four days, any missing Homework assignments will be graded as a **zero**.

Grades and Grading (G.4)

For Pre-K 3, Progress Reports will be distributed in December and June. Narrative Summary Reports are distributed three times for Universal Pre-K and Report Cards will be distributed four times a year for Grades K to 8. The report card is a link between the school and the home.

Academic Achievement (G.5)

The first part of the Archdiocesan Report Card is used to mark the student's achievement in academic subjects.

- The achievement mark in each quarter is based upon the demonstration of mastery of material covered in class such as:
 1. tests
 2. quizzes
 3. classwork/participation
 4. homework
 5. projects/portfolios

The Final Report Card Grade is the weighted average of the four previous quarter grades (80%), and the mid-year (10%) and end-year tests (10%) (for Grades 3-4 in ELA, Math and Religion; for Grades 5-8 in all subjects). This Final Grade will be recorded on the student's permanent record.

- Numerical marks are recorded on report cards for Grades 1– 8.
- Passing is any mark 70% or above or any mark of D or higher.

While it is expected that student academic progress will be monitored on Cornerstone, Teachers will notify Parents of any academic concerns when necessary.

Character Development (E.13)

The Conduct and General Effort Scale indicates grades for General Effort and Character Development. A single letter grade is used with check marks indicating improvement needed in any sub-category.

The “Conduct Grade” indicates that the student:

1. follows class and school rules
2. shows care in the use of personal property
3. treats teachers with respect
4. treats other students with respect
5. exercises self-control
6. listens attentively
7. uses technology appropriately

Honor Roll (G.4)

The criteria for inclusion in the Honor Roll are particular for each school. As an acknowledgment of achievement in academics, a suggested model would be:

Grades 4-8	Principal’s List	95% average; no mark less than 92%
	First Honors	90% average; no mark less than 87%
	Second Honors	85% average; no mark less than 82%

Good conduct is a requirement to receive First or Second Honors and Principal’s List. Therefore, a student must receive an A (excellent) in conduct to be eligible for Principal’s List . Receiving a B (good) in conduct is required to be eligible for First of Second Honors. A student who does not receive an A or B in Conduct will not receive First or Second Honors even though marks might warrant it.

Report Card Distribution (G.4)

Report cards are distributed in November, January, April, and June. Report cards will be withheld if financial obligations have not been met and fees are outstanding.

Final report cards may not be given before the last day of school. In the event that a student will leave school prior to the last day in June and all financial obligations have been met, the student may give the teacher a self-addressed stamped envelope and the report card can be mailed the last day of school.

Retention/Promotion (G.5)

Very few decisions we make about children are more important than recommendations to promote or to retain a student. Most students will be able to follow the school’s regular program of sequential learning objectives. If the student successfully achieves the year’s objectives, the student progresses to the next grade.

Testing, diagnosis, and actual performance, however, may indicate that some students cannot follow the school’s complete course of study. Therefore, the decision to retain a student indicates that although the school has done everything to help the student achieve success, the student has not made satisfactory progress.

If a child is required to go to summer school for promotion, that child must attend an approved summer school program. If the child does not attend an approved summer school, the child can be retained.

The final decision to promote or retain a student is made by the Principal, based on the student’s academic performance and best interests. It should be made after discussion with the parent, teacher, and student.

This table indicates the specific failures by grade level that might result in retention at the grade level:

LEVEL	ACADEMIC PERFORMANCE
<u>Kindergarten</u>	<u>Evidence that the child is immature and not meeting program</u>
<u>Grade 1</u>	<u>Evidence of developmental immaturity and a failure in reading</u>
<u>Grade 2</u>	<u>Failure in reading</u>
<u>Grade 3</u>	<u>Failures in reading and mathematics</u>
<u>Grade 4, 5, 6</u>	<u>Failures in reading and mathematics, or Failures in reading or mathematics and failures in two of the following subjects: religion, science, social studies, and language arts</u>
<u>Grade 7,8</u>	<u>Failures in reading and mathematics or Failures in reading and language arts or Failures in reading or mathematics or language arts and failure in one of the following subjects: religion, science, social studies</u>

Assessments (G.4)

In addition to class and school exams, every student will take part in the Archdiocesan testing program which includes the Archdiocesan religion tests, interim assessments, and New York State Education Department assessments.

Archdiocesan Test (Will be used as the student’s Mid-Year and End-Year Examinations)

Archdiocesan-approved Standardized Assessment

<u>Standardized Assessment – Administered One Time a Year in the Spring</u>

Grade	Tests
3	English Language Arts and Mathematics
4	English Language Arts and Mathematics
5	English Language Arts and Mathematics
6	English Language Arts and Mathematics
7	English Language Arts and Mathematics
8	English Language Arts and Mathematics

The faculty of the school reviews these test results regularly for the purpose of promotion or retention in conjunction with classroom performance and grouping for reading and math.

Accidents (E.26, E.27)

In the event of an accident at school you may obtain a claim form from the office.

Please note that the school accident insurance usually is secondary to the parent's own medical insurance coverage.

Admission Policies (E.1, E.2, E.3)

Roman Catholic Schools in the Archdiocese of New York base their educational purpose and all their activities on the Christian teaching of the essential equality of all persons as rooted in God's love.

Thus, with discrimination so repugnant to their nature and mission, Catholic Schools in this Archdiocese do not discriminate on the basis of race, color, national and ethnic origin, and gender in administration of educational policies, admission policies, scholarship and loan programs, and athletic and other school administered programs.

This policy is subscribed to by all Catholic elementary and secondary schools in the Archdiocese of New York whether owned or operated by the Archdiocese, the parishes of the Archdiocese, Catholic School Regions, or religious communities within the Archdiocese.

The process for admission to the school is: parents must complete the school application form and provide all required documents. Following an interview and evaluation of the materials, the parent will be notified in writing about the status of the child.

The school gives preference in admission first, to siblings of currently enrolled students; second, to Catholic students whose parents are active members of the parish, or if a regional school, active in a parish in the region; third, to Catholic students whose parents are active in another Catholic parish or, if a regional school, active in a parish outside the region; and fourth, to non-Catholic students.

After School Program

An after school program is available to parents. As long as a student is engaged in school sponsored programs or activities, the student is expected to follow school policy. Directors of individual activities may also issue rules of behavior, which recognize the special nature of non-classroom activities. In instances where students are picked up, parents are expected to make arrangements to pick up their children at the end of the program or activity. Students will be released only to a parent or a person specified IN WRITING by the parent.

Announcements

Informational announcements are handled through the school P.A. Courteous attention is expected when any message is presented over the P.A. system, especially when prayers are said. All announcements must be written and brought to the office and approved by the Principal.

Attendance (E.5, E.6)

Excused Absence: A child is legally absent from school for the following reasons: sickness, sickness or death in the family, impassable roads or extreme weather; all other absences are unexcused. Absences for three (or more) consecutive days require a Doctor's note. Planned absences are unexcused.

All assignments missed will be provided by Teacher upon return of the student. **All** assignment makeup periods will reflect the same timeframes outlined in Homework (E.8)

Lateness: A child should come to school even though he/she may be late. All lateness is recorded and marked on the report card. Parents will be consulted about chronic lateness, and the child may be required to make up time missed. Attendance will be taken (K-8) at 8:05AM. Students who are not present at that time will be marked late.

If a student is late more than five days in a quarter, their conduct grade will be effected. Excessive lateness impedes the academic day for the student, and is also disruptive to the rest of the class.

Doctor or dental appointments should be scheduled for after school or on Saturdays. Family vacations are not to be planned for those days when school is in session. The school provides families with an annual calendar to insure that does not happen. If it is necessary

for a child to be dismissed during the school day, the parent or adult (must be 18 years of age or older) chosen by the parent **MUST** come to the school for the child. The school must be informed ahead of time about such occurrences.

When a child is absent, parents are required to phone the school by 9:00 A.M. Absence (or Doctor) notes are still required in addition to the phone call.

Birthday Parties

Birthday Celebrations may be held at the discretion of the teacher. If you would like to send in a small, individual item (ex. Cupcakes, munchkins, brownies), parents **must** notify the teacher in writing asking permission to do so in order to be mindful of allergies within the classroom. Distribution of goodie bags and party favors is up to the discretion of the student's classroom teacher.

Books (B.3, B.4)

All other resource materials chosen for use in academic courses must be consistent with the religious nature of our schools. Books, DVDs, or other electronic-based supplementary resources that contain profanity, inappropriate sexual references, and other immoral information would be in violation of this policy.

All books must be properly covered. Contact paper is **NOT** to be used to cover any books obtained under N.Y.S. Textbook Loan. These books are stamped on the inside front cover. Each child is responsible for keeping his/her books in good condition. Books that are lost or defaced become the liability of the student and his/her parents. If a book is lost or defaced, the school will bill the parents for the cost.

1. **ASSIGNED TEXTBOOKS:** When a textbook is lent to a pupil on a semi-permanent basis, the New York State Department of Education requires that:
 - a. the pupil's name be placed in the space provided in each book
 - b. the teacher make a record of the number of the book
 - c. the teacher make a record of the condition of the book
 - d. in September, each child will put a clean cover on each textbook received
 - e. in June, all textbooks are collected, extra materials and covers are removed.

2. **SUPPLEMENTARY BOOKS:** When books are handed out to the children for use during a specific period within the classroom, they will be immediately collected after they have been read. If the book is to remain with the children for any length of time, his/her name must appear in the book and the teacher should have a record of this.

Buses

Busing is provided within a 15-mile limit to students from their residence. The public school district where the student resides provides this service. If a student is to take a

different bus from school a note must be submitted to the Principal at the beginning of the school day.

Students and parents should consider riding on the school bus as a privilege and an extension of the school. Thus, students are to demonstrate a respectful, Christian, and safety-conscious attitude at all times on the bus.

- Students should obey the driver and monitors at all times.
- Students should do nothing to cause annoyances or distraction to the driver, as this places the safety of all in danger.
- In cases of extreme or persistent misbehavior, school will work in consultation with the public school district about possible consequences.

Change of Address, E-mail, Phone (G.1)

The office must be informed immediately if there is a change of home address, email address, cell phone number, or home telephone number for purposes of mailing and/or emergency notification.

Charter for the Protection of Children and Young People (B.11)

- All institutions and programs of the Archdiocese will comply with the Safe Environment Policies of the Archdiocese.
- The Department of Education has developed a curriculum for the children in our parishes and schools, entitled "Right, Safe, Good Relationships", which provides age-appropriate instruction in child sexual abuse. The lessons in this curriculum must be given annually to all children in all grades.
- Parents reserve the right to remove their children from the classes. The school administration should take care to cause as little embarrassment of students as possible.
- If parents choose not to have their child participate in the safe environment classes, the parents will be offered training materials, and will be asked to sign a form acknowledging that the materials were made available to them. This form will be maintained in the records of the school. If the parents decline to sign such a form, a notation of this will be made in a record maintained by the school.

Child Abuse Laws (C.6)

Under NYS law, school personnel are legally obliged to report any suspected cases of child abuse or neglect to the proper agency. In so reporting, no allegation is made against a parent or caregiver. Rather, it is a judgment by the school that the child may be presenting signs of abuse or neglect.

Child Custody (E.28)

At the time of school entry or at any other time where a change in custody status/arrangements occurs, it is the responsibility of the parent(s) to provide the Principal a copy of the legal document from the parent for any student for which there is a legal custody agreement or for any student not residing with his/her parent.

School communication with the appropriate guardian is essential. Accordingly:

- Custodial parents must identify in writing other adults who may have access to information regarding their child.
- Non-custodial parents may receive information (when requested) regarding the child unless specific documentation to the contrary is provided in the legal custody agreement.

Non-custodial parents may pick up a child only if written permission has been granted by the custodial parent.

Communication (H.3, H.4)

Since as parents you are the child's first teachers, you are our partners in education. Therefore, regular communication with you is an essential part of your child's school experience. Scheduled parent conferences allow teachers and parents to discuss student achievement as well as to develop means to assist students in areas of difficulty.

A parent may request a meeting with a teacher at any time by simply sending a note (or e-mail) to the teacher in question and the teacher will arrange for this meeting outside class time at a mutually convenient time. The meeting should take place in the classroom or someplace that insures privacy, never in a hallway or on the street. A parent who has refused such a meeting should notify the Principal.

Parent-teacher conferences will be scheduled each year in conjunction with report card distribution to provide an opportunity for in-depth discussion of student growth. Parent-teacher conferences are required at the end of the first marking period. Teachers are expected to be reasonably available to parents throughout the school year in order to keep open the lines of communication in the best interest of the students.

Confidentiality (G.3)

There is a professional and moral ethic that requires all persons to safeguard all information of a privileged nature.

It is imperative that such information be regarded as a sacred trust.

- If there is evidence of knowledge that could impact on the health or safety of any person, the parent/guardian and/or teacher has the responsibility to share the information with the Principal.
- Under Section 423 of the Child Protective Services Act, school officials are required to report when they have reasonable cause to suspect that a child coming before them in their professional or official capacity is an abused or maltreated child. (See section on Child Abuse.)

The rules that govern privileged information apply, as well, to any personal or academic information that is discovered through daily classroom instruction or other social interaction with students, parents or peers. Always the sense of the sacred should prevail.

Contacts with the Media (H.2)

Parents have the right to exclude their children from videotaping, audio recording, school pictures, other photography or participation involving printed materials or on the Internet. Parents should provide such documentation to the school office, otherwise, they must fill out the photo/video release form.

Crisis/Emergency Information (B.9, E.7)

Should a crisis require evacuation from the school building, students will be brought to a safe place located at IS34 or PS1 and parents/guardian should meet them at that location.

Catholic schools throughout the Archdiocese of New York utilize the Immediate Response Information System (IRIS Alert) to notify parents directly about the crisis.

For further information concerning the crisis, parents can refer to the following:

Radio Station	TV Station	On the Internet
CBS AM	Channel 7	Olhcschoolsi.org Facebook.com/olhcschoolsi

Daily Schedule (B.10)

The following schedule will be observed by Grades K - 8:

7:50 AM	Morning Prayers Begin
8:00 AM	School Begins
11:30-12:05 PM	First Lunch (Gr. K - 4)
12:05-12:40 PM	Second Lunch (Gr. 5 - 8)
2:30 PM	Dismissal

Before **7:45 AM** and after **5:00 PM (After School Program from 2:25-5:00PM)** the school does not have staff available to watch out for problems on school grounds or to supervise children on school grounds. Students must not arrive on the school grounds prior to **7:40AM** and parents must arrange pickup at dismissal times.

To avoid interruption during the school day, any messages, forgotten lunches, books and boots, etc., must be taken to the office and not to the classrooms while school is in session. The school office will see to it that the child receives these items.

Discipline Code for Student Conduct (E.12, E.13, E.18)

The goal of discipline in a Catholic school is for students to learn self-discipline, which strengthens and promotes the values incorporated in our Catholic faith community. As the school builds community, it develops in students the awareness that sensible rules serve to safeguard the individual's freedom and provide an atmosphere conducive to learning. Disciplinary measures should have as an end the development of the human person who respects one's self, other persons and those in authority.

By enrolling a child in this school the parent agrees to be supportive of the rules and regulations that we deem as critical in the spiritual, academic, and behavioral growth of the child.

Teachers discipline students directly for minor classroom disruptions (i.e., not coming prepared to class; not being in the complete school uniform; not completing assigned homework; minor verbal disputes with other classmates; etc.). Parents are notified of classroom problems by the teacher and are asked to help the teacher to insure that inappropriate behavior is modified.

Teachers are not permitted to use corporal punishment on any child. Perceived acts of corporal punishment should be reported to the Principal of the school immediately by parents.

It happens that some classroom discipline issues are referred to the administration of this school. This would include chronic minor problems listed above or major problems (i.e., chronic lateness; verbal abuse of the teacher by a child; signs of disrespect to a teacher or another adult on the staff; fighting; physical, sexual, or verbal harassment or bullying of a fellow student; violent behavior; stealing; vandalism; or the possession of a drugs, alcohol, or a weapon). The administration handles such matters in a variety of ways depending on the severity of the incident.

In the event where a student commits an act of academic dishonesty, it will be up to the discretion of the Teacher and the Principal to establish the consequence. Conduct grades will be affected as a result.

The school employs a progressive discipline system for minor acts of misbehavior in order to encourage students to change inappropriate behavior so that sanctions do not increase in severity. For acts such as excessive talking, uniform infringements, horseplay, etc. students are often given conduct referrals or detention. Repeated violation of these rules and regulations may result in suspension from school or the non-re-registration of the child for the next school year.

For more serious acts of misbehavior such as, but not limited to, fighting, stealing, vandalism, and harassment, the student is immediately suspended for a period of one to five days at the discretion of the Principal. In cases of vandalism, the parent must pay the full cost of the repair or replacement of the item before the child may return to school. In cases of theft, the item is either returned in good condition or the cost of replacement is borne by the parent before the child can return to school.

In cases where a child engages in a fight which causes injury to another child or adult, the police will be summoned and, then, the parents will be notified. Likewise, the possession of drugs or alcohol by a child is reported to the police. The school reserves the right to request an expulsion from the Superintendent of Schools for such an offense.

In cases in which a child brings a weapon to school, the police are summoned, and then the parents are called. The school reserves the right to request expulsion by the Superintendent of Schools for such an offense.

It is the expectation of this school that student behavior is exemplary both on and off school grounds. A student always represents the entire school community. Therefore, the school reserves the right to discipline students for acts such as, but not limited to: stealing, fighting, vandalism, bullying or any other type of threatening or inappropriate misconduct (personally, via telephone, or the Internet). Such misconduct could result in punishments including the possibility of suspension and/or expulsion.

Lastly, a child's arrest for a crime on or off of school grounds, within or beyond the vicinity of the school, at any time could result in the child's suspension or expulsion. A child's conviction of a crime on or off of school grounds, within or beyond the vicinity of the school, will likely result in a child's expulsion.

Your school uniform confirms your attendance at Our Lady Help of Christians School and is a symbol of unity within the school community. It minimizes distractions in the learning process. If the proper uniform is not worn (or the proper uniform is incomplete), students will not be permitted to participate in Gym.

However, students are still expected to follow the appropriate dress-code guidelines. No sleeveless shirts or jerseys (without a t-shirt underneath). Shorts must be an appropriate length. No flip-flops or heels.

During the cold weather, students may wear the navy blue uniform cardigan sweater, gym sweatshirt, or other OLHC spiritwear. **No other types of sweaters or sweatshirts may be worn in the school.**

If a student arrives at school with an incomplete/improper uniform, parents will be notified to bring missing articles. Additionally, if a student is found in violation of the aforementioned dress code, they will be asked to modify or remove the item(s)/article(s) that put them in violation (makeup, jewelry, non-school uniform sweatshirt).

Personal Appearance

A good personal hygiene routine should be followed daily: ears, neck, and fingernails should be given special attention. When appropriate, children should be instructed in the use of deodorant.

Uniforms should be neat and clean.

Hair should be clean and well groomed. The boys’ hair should not touch the shirt collar. Bangs should not be so long that they impede vision.

Parents will be notified if a child comes to school consistently in an unkempt manner. If no improvement is noticed within a reasonable amount of time, an appointment with the parents will be made by the Principal.

Drug and Alcohol Policies (E.15)

In recognition of the seriousness of drug and alcohol problems to which the children are exposed, school will follow the policy as stated below:

- if a teacher suspects that a child is under the influence of either drugs or alcohol, the matter will be referred to the Principal immediately
- the Principal will verify teacher observation and will notify parents, the police may be called, and parents must pick up the child immediately should it be determined that the suspicion is accurate, parents will be expected to follow the recommendations of the school Principal if the child is to continue in the school
- any student who appears to be under the influence of alcohol or any drug, and appears at a school function in questionable condition will be barred from attending or participating in that ceremony, a party, dance, or school outing. Parents will be notified and appropriate action will be taken which may include suspension or expulsion from the school.

Electronic Devices (E.30)

Electronic devices may be dynamic tools in the 21st century school environment, but only when used appropriately by faculty, administration, staff, and students.

The use of electronic devices by faculty, administration, staff and students must be appropriate to the educational setting, and may not distract the student, other students, or the class as a whole during the course of the school day and after school. (i.e., cell phones, iPads, iPhones, and other personal electronic devices).

Inappropriate use of any electronic device may result in serious consequences as stated in the Our Lady Help of Christians School Technology Use Policy.

Students who chose to bring in an electronic reading device to school, **must** have an approved Parent-Student e-reader contract on file in the school office.

The use of cell phones or camera/video phones is prohibited during the school day (including lunch and recess). Cell phones **must remain powered down in student's backpack** until they leave the building at the end of the school day. If the student removes a device from his/her backpack during the school day, it will be confiscated and brought to the main office. Confiscated devices will only be released to the student's parent/guardian. Repeat offenses may result in a fine/suspension. In the case of an emergency, parents should contact the **school office**, **not** their child directly via their cell phone.

Emergency Closings/Delayed Openings (E.7)

In the event that school is closed because of severe weather conditions, heavy snowfall, and/or another emergency, this information will be transmitted by the Immediate Response Information System (IRIS). You may also look for updates on our school's Facebook page (www.facebook.com/olhcschoolsi).

- **Our Lady Help of Christian School and schools in the Archdiocese of New York follow the policy of local public schools when closing due to inclement weather, loss of power or other issues.**
- **In addition to following the lead of New York City public schools, Catholic schools in the Bronx, Manhattan and Staten Island, may need to close based on local situations. That said, all closure decisions must be approved by the Superintendent of Schools. Schools in Westchester, Putnam and the Upper Counties that rely on public school districts for bus transportation will follow the delayed opening and/or closing policy of the local district.**
- **Catholic schools throughout the Archdiocese of New York utilize the Immediate Response Information System (IRIS Alert) to notify parents directly about delayed openings and closures due to weather. The school will also post schedule changes on our website.**
- **When a school in the Archdiocese is closed for the day due to inclement weather or other unforeseen situation, the following will apply:**
 - **All school-related extracurricular activities, interscholastic contests, team practices and field trips will be cancelled**
 - **After School and/or extended day care programs will be closed all day.**

Expectations and Responsibilities for Students (E.13)

Students attend the school in order to develop fully their God-given talents and capabilities. To accomplish this, students are to:

- try to do their best work at all times.
- treat all members of the school community (i.e., teachers, staff, priests, parents and students) with respect. This includes respecting the work of others by not cheating or otherwise trying to gain an advantage that is outside of conventional norms.
- obey all school rules and regulations, including those forbidding the use of drugs, alcohol, cigarettes, or disruptive behavior.
- develop personal standards of conduct that reflect Christian morals and behavior, and refrain from use of inappropriate language, verbal threats, and sexual behavior (including touching, gestures, writing, and dress).
- speak in a well-modulated tone of voice.
- observe the school dress code, including standards on no-uniform days.
- help care for school property and keep the school free from damage and defacement.

- maintain records of assignments, and turn them in when expected.
- students **will not** be permitted to re-enter the building (or leave Afterschool) to retrieve any items from their classrooms.

Extracurricular Activities (E.31)

Students are encouraged to participate in the extracurricular activities of the school. Participation in these activities is a privilege. Students are expected to fulfill their obligations in the classroom (classwork and homework). **In order to participate in extracurricular activities, students must pass each subject on their report card and model acceptable behavior both during the school day and during the selected activity.** Failure to meet academic or behavioral requirements will result in the student's suspension or dismissal from the activity. Participation in these activities requires a commitment of both student and parent. Attendance will be taken at each activity to determine a student's participation. In individual cases regarding participation in extracurricular activities, the Principal holds the final determination.

Faculty Meetings (D.9)

Faculty meetings are scheduled monthly. All children will be dismissed at 12:00PM on these days.

Field Trips (E.10)

Field trips must serve an educational purpose and their value should be an integral part of the school's instructional program. They broaden the students' educational experiences. Field trips are privileges given to students; no student has a right to a field trip.

It is the policy of Our Lady Help of Christians School and schools within the Archdiocese that overnight trips, trips to water parks, amusement parks, dude ranches, beaches/pools, and ski slopes are strictly prohibited.

- Field trips are designed to correlate with teaching units and to achieve curricular goals.
- Field trips vary on each grade level.
- Field trips are permissible when advanced planning, location, and the experience insure a successful learning opportunity.
- Individual teachers in consultation with the administration reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
- A written official permission slip, signed by the parent, is required before a child will be permitted to attend a field trip. Verbal permission cannot be accepted. Permission slips are due in the office 48 hours before the day of the trip.

Financial Policies

1. TUITION Schedule: Grades K - 8

The school's expectation at the time of registration is that all tuition and fees will be paid on time. Failure to do so could result in the suspension of a child for delinquent tuition or fees.

TUITION IS DUE ON THE FIFTH OF TWENTIETH OF EACH MONTH, DEPENDING ON THE OPTION CHOSEN AT THE TIME OF REGISTRATION. Tuition is an annual fee paid in **12 monthly installments**. If a family chooses to withdraw their child(ren) from the school, partial or full month tuition refunds will not be granted if the child(ren) attended one or more days that month.

Kindergarten through 8th Grade	
1 Child	\$ 4,800
2 Children	\$ 8,600
3 Children	\$ 9,500

2. TUITION DELINQUENCY

Families who are 30 days late on tuition will receive notification letters from SMART tuition. Families who are delinquent 60 days on tuition will receive a second letter; this letter will come from the Principal. Upon receipt of this notification, parents/guardians are asked to contact their Principal to discuss a tuition payment plan. If a parent/guardian does not contact the Principal by the date included within the letter (or no payment plan is established *and* no good faith effort to pay the delinquent tuition is made), the child/children may not be permitted to attend school after the date specified by the Principal.

3. FEES

All fees should be paid on time. If there are outstanding fees at the time of report card distribution, the report card will be withheld until fees are paid. Problems or difficulties involving finances must be taken up with the Principal.

Your participation in ongoing religious, educational, and voluntary programs of our school is vital to our school and to our children. We thank you for your cooperation and support you give to Our Lady Help of Christians School.

4. FUND RAISING ACTIVITIES

Each family must participate in our schools' fundraising activities. Fundraising serves as a vital way to raise necessary funds for the support of our school. Every class is assigned a fundraiser. Class Mothers will ensure that every parent is given the opportunity to be involved. If for some reason if a family does not assist in their assigned fundraiser, the Principal will be notified and that family may be asked to assist with another class' fundraiser.

Fire Drills (E.25)

Fire drills at regular intervals are required by the law and are an important safety precaution. It is essential that when the fire signal is given, everyone obeys promptly and clears the building by the prescribed route as quickly as possible. Students are not permitted to talk during a fire drill and are to remain outside the building until a signal is given to return inside. Teachers will direct the students.

Guidelines for the Education of Non-Catholics (A.5)

Parents must be made aware of the intentional Catholic witness in our schools. As a Catholic school within the Archdiocese of New York, our school has as its primary mission the formation of children in the Catholic faith.

All children will participate in total academic life of our school, including religious education. According to the norms of our Church, it is expected that non-Catholics participate as fully as they can in the liturgical and prayer life of the school.

The religious educators of our schools are committed to teaching the fullness of revelation as it is taught by the Roman Catholic Church and as the life and doctrine are set forth in the Religious Education Guidelines of the Archdiocese of New York. While our teachers value ecumenical education, and respect the traditions of other ecclesiastical communities, they always teach within the context of fidelity to the doctrine and traditions of our teaching church.

Harassment/Bullying Policies (E.17, E.18)

Harassment/bullying regulations need to be grounded in the belief that all persons have a right to be treated with dignity. In a Catholic Christian environment, all demeaning behavior is unacceptable.

The school provides a safe environment for all. Schools within the Archdiocese participate in the ADAPP anti-bullying curriculum annually. Verbal, Internet, telephone, or written threats made against the physical or emotional well-being of any individual are taken seriously. Students making such threats even in jest face appropriate disciplinary action including detention, suspension, or expulsion. The Principal investigates all complaints of harassment/bullying. Students involved in harassing/bullying behavior are subject to detention, suspension, or expulsion and where appropriate, will be referred for counseling services and/or to the local authorities. If you believe that your child is being harassed/bullied, please notify the Principal immediately.

HIV/AIDS Curriculum (E.24)

The Archdiocese of New York and the NYS Education Department mandate that all schools within the Archdiocese are to give age-appropriate instruction on *HIV* and *AIDS* to all students in Grades K –12. The schools within the Archdiocese use an HIV/AIDS Handbook developed and approved by the Catholic Bishops of the State of New York.

Schools under the authority of the Office of the Superintendent of Schools of the Archdiocese of New York do not discriminate on the basis of HIV or AIDS. Students with HIV or AIDS shall not be excluded from school by reason of infection with HIV unless the following conditions are evident as determined by the student's physician and parents (or legal guardian), together with the school administration. The conditions are:

- The student is not toilet-trained or is incontinent, or unable to control drooling.

- The student is unusually physically aggressive, with a documented history of biting or harming others.

Illness (also see Medication) (E.26)

If a child has an illness or chronic medical condition it is the parent's responsibility to notify the school and to provide necessary documentation and medication. The school reserves the right to call 911 in any case of a medical emergency.

Immunizations (E.24)

Students are required to have all inoculations as suggested by the Department of Health before admission to the school. See appendix for most current information published by NYC and NYS Departments of Health. It is the responsibility of the parents and their personal physician to ensure that as immunization requirements change, students are kept current in their schedule.

Liturgy/Religious Education (A.4)

All Catholic elementary schools will follow and adhere to current Archdiocesan policies and curriculum guidelines in religion.

Students in grades 3 through 8 are required to take the Archdiocesan Midterm and Final Religion Examinations.

Non-Catholic students are expected to participate in the religious formation and education programs of the school, including, but not limited to, liturgies, religious functions, and religion classes for credit.

Parents of non-Catholic students must be willing to accept the standards, values, and regulations of the school. They must understand the religious education program of the school at the time of enrollment.

Lunch

Our Lady Help of Christians School provides a catered lunch program by Nucci's.

- If your child does not want to participate in the lunch program, they must bring lunch from home. Students should bring their lunch to school with them in the morning. **Parents should refrain from dropping lunches off from students.**
- It is the responsibility of the individual child to keep the area clean before and after eating their lunch.
- Respect and obedience are to be shown at all times to those who supervise classes during both lunch and recess.
- In good weather, the children go outside to play in the parking lot; first lunch until 12:00 and second lunch until 12:40.
- During inclement weather, the children will recess in the Gym.

Medications (E.26)

If a student needs any kind of medication during the school day, it is the parent/guardian's responsibility to bring the medication to the school nurse (or school office in the absence of a nurse) and kept there. A written statement from the parent or guardian requesting administration of the medication in school as ordered by the licensed prescriber is required.

Medication must be presented in a properly labeled container. Prescription medication must be in the original container. On the prescription medication the pharmacy label should display:

- student name
- name and phone number of the pharmacy
- licensed prescriber name
- date and number of refills
- name of the medication and dosage
- frequency of administration

Medication should not be transported daily to and from school. Parents should be advised to ask the pharmacist for two containers – one for home and one for school.

The school may receive a written request from a parent or physician to permit a student to carry and self administer his or her own medication. Under certain circumstances it may be necessary to do so. Such a decision will be made on a case-by-case basis and will reflect the age and maturity of the child.

- severity of health care problem, particularly asthmatic or allergic conditions
- prescriber order directing the student be allowed to carry his/her medication
- written statement from parent requesting compliance with prescriber order
- student has been instructed in the procedure for self administration and can assume this responsibility
- parent contact is made to clarify parental responsibility in monitoring the child on an ongoing basis to insure the child is carrying and taking the medication as ordered.

If your child has medication kept at school, you need to be aware that our school nurse does not accompany students on class trips. Additionally, there is no Nurse present after school (post-2:30PM).

Therefore, if your child's class has a trip, you or an adult that you designate must accompany your child on the trip. Once you designate another adult, please contact the teacher for the necessary form.

Money

Money that is brought to school for a specific purpose (class trip, book fair, lunch/snack money, etc.), must be put into an envelope with the child's name and grade and amount. Since snacks are sold on a daily basis, students may choose to bring in small amounts of money (less than \$5) for such purchases. If a student does bring money to school the money should **be kept on the student's person** and not left in the school bag, coat pocket, lunch box, or desk. **The school cannot be responsible for lost money.**

Parents as Partners (A.1, H.4)

Just as the parents look to the school to provide the facilities and the trained personnel that are essential to their child's proper development, so the school looks to the parents to assume active responsibilities that cannot be delegated to others.

No school can be wholly effective in teaching the values of religion and the virtues of honesty, respect for authority, consideration for the rights and property of others, and standards of personal morality and integrity unless these principles have been established, upheld, and valued in the home. If parents cooperate with the school, instill respect for the integrity of its teachers and administration, and actively support their authority in the home, this is likely to be reflected in the positive attitudes of their children. Parents are invited and encouraged to participate in the spiritual and academic programs developed for the education of their children. The wide spectrum of this involvement includes participation in school celebrations of prayer and liturgy, volunteer work, participation in parent-teacher conferences, attendance at meetings and seminars designed to help parents assist their children at home, and active involvement in the school's parent/teacher organization.

Parents are asked to take an active role in their child's education by:

- assisting their child in his/her academic and moral development by carefully reviewing class work, test results, progress reports, and report cards; supervising home study; and reinforcing school policies.
- explaining and reviewing periodically the school behavior code with their child. Parents should discuss school disciplinary episodes in relation to the school behavior code.
- recognizing their child's talents and interests so they may be developed in cooperation with the classroom teachers.
- seeing that the dress code, including gym uniform, is enforced, and insisting that children dress according to Christian virtue.
- insisting on their child's regular school attendance and punctuality and on complying with attendance rules and procedures.
- making all tuition and fee payments on time, and participating in fund-raising activities.

- providing proper supervision at home, and not tolerating harassment, inappropriate or violent behavior, or viewing of such in videos, movies, song lyrics, and on the Internet.
- teaching their child respect for law, for authority, for the rights of others, and for public and private property. This includes showing respect for the work of others by not tolerating cheating in any circumstance.
- arranging for a time and place for their child to complete homework assignments.
- working with the school in a cooperative effort to carry out recommendations made in the best interest of their child, including those related to educational evaluations and counseling.
- attending all Parent-Teacher Conferences and Home-School Association meetings.
- by always interacting in a respectful manner when speaking with or about the administration, teachers and staff of the school. Verbal abuse or physical harassment may result in your child being required to withdraw from the school immediately or not being allowed to re-register for the following year.

The education of a student is a partnership between the parents and the school. Just as the parent has the right to withdraw a child if desired, the school administration reserves the right to require the withdrawal of a student if the administration determines that the partnership is irretrievably broken.

Parent Organizations (H.4)

A Home-School Organization provides an effective channel of communication between parents and teachers for the benefit of the students and the whole community. Its main purposes are:

- to create mutual support and understanding between home and school, and thus bring about a total learning environment for students
- to provide a means for keeping parents informed of school activities, programs, etc., and if any, parent service requirement
- to assist the school in meeting its financial obligations, primarily through fund-raising activities
- to provide adult education programs

Philosophy and Goals (Forward)

The school endorses the call of the Catholic Bishops of the United States to express its educational ministry through the three objectives: personal spirituality, social justice, and a

strong academic program in accord with Christian values. This commitment extends to building Christian community and to fostering Christian service to the whole human family.

Re-registration (E.1, E.14, G.5)

At the time of re-registration parents will be notified if their child is being invited to return to the school in September or if the child is not being invited back.

Release of Students (during school day) (E.6)

The school has a sign-out book located in the main office.

Occasions for the use of a sign-out book are:

- in the event of a student illness the parent or an adult designated by the parent must come to the school and take the child. It is against the law to dismiss a child during school hours except into the direct custody of a parent, guardian, or an adult designated by the parent. If the parent cannot be contacted, the secretary will contact the name listed on the child's emergency contact slip. Emergency slips must be updated as necessary.
- when a student is released to a parent or guardian, that adult (must be 18 years of age or older) must sign the book.
- for a prearranged appointment when the student is released, the parent, guardian, or approved adult must sign the book.

School Calendar

A monthly calendar is distributed prior to the start of that month.

The Mid-Year and End-Year Examination schedule for Grades 3-8 will be sent to parents when dates have been finalized.

School Publications (H.3)

All student or parental publications are subject to review and by the school approval administration prior to publication.

School's Right to Amend

The school reserves the right to amend this handbook. Notice of amendments will be sent as necessary.

Security (E.27)

To assure the security of the building and the safety of each child, the school strongly enforces its policy of requiring all visitors, even parents, to report to the office.

To avoid interruption of the learning process, no one may enter a classroom without permission of the Principal.

The school has a crisis management manual and each classroom has a school emergencies resource flipbook.

Sex Offender Policy (B.11)

This notice is to remind you of the importance of taking steps to keep your child safe when he or she is involved in outdoor activities, including traveling to and from school. The following are some safety tips that we hope you will share with your children:

- Students should never go home with strangers.
- Students should never talk to strangers.
- Students should never take things from strangers.
- If students are approached by strangers and are still near the school, they should be encouraged to return to the school and immediately inform a staff member.
- Young students should be escorted to and from school.
- Older children should be encouraged to walk/travel to school in groups whenever possible.

The teachers at our school will also remind students of the importance of not responding to strangers and actions each child should take if approached by a stranger, including reporting it to responsible adults.

In addition, over the course of the school year, we may receive from the New York City Police Department notification under the New York State Sex Offender Registration Act that a registered sex offender has moved into the region where our school is located. Copies of all the notifications we receive will be kept accessible to parents in the Principal's office. You can also find information about registered sex offenders on the NYS Division of Criminal Justice Services website, located at

<http://www.criminaljustice.state.ny.us> -- or by calling 1-800-262-3257.

Finally, if our school is notified during the school year that a registered sex offender has moved within the vicinity of our school, further notice will be sent to you.

These procedures are part of our continuing effort to provide a safe environment for all children in this school.

Smoking (E.15)

New York State Law prohibits smoking in a school building and on school property. Smoking is prohibited at all times in the school building, on its parking lot and playing fields. This prohibition applies to faculty, staff, parents, and all visitors to the school.

Special Learning Needs (F)

Students with learning differences are children of God and members of the Church. The school makes every effort to meet individual student needs by providing accommodations. Sometimes, however, a student may have needs that do not permit him or her to benefit fully from the program. In those cases your child's teacher and/or Principal may schedule a meeting with you to discuss having an evaluation of your child's learning needs. Such evaluations can be done through the local public school district, i.e., Committees on Special Education (CSE's), or privately.

Once the results of the evaluation are available, parents/guardians are obligated to share educational/psychological testing results and any resulting plan with the school. The parent/guardian must make an appointment to meet with the Principal to discuss the results of the evaluation and the recommendations, and provide a copy of the Individualized Education Services Plan (IESP).

If a student transfers in from a public school with an Individualized Education Plan (IEP), the parent/guardian must go back to the Committee on Special Education (CSE) to get an IESP.

When a student qualifies for a 504 Plan, the Principal will meet with the parent/guardian to review and discuss the 504 Plan, and will then notify the parent of any reasonable accommodations/modifications that can or cannot be made at the school. If reasonable accommodations can be made, a Student Assistance Plan (SAP) will be written and a copy of the plan will be placed in the student's confidential file. The accommodation/modifications will be reviewed yearly. If the school cannot make reasonable accommodations, the school reserves the right to negate enrollment of the student.

Summer School (G.4, G.5)

Since most summer schools offer reading, mathematics, and language arts, a student who has failed in one or more of these subjects in three marking periods of the report card will be required to take a remedial course during the summer. Summer school also may be recommended due to poor performance on standardized tests or in the classroom.

In May, a list of available summer schools in the archdiocese will be available upon request. Whenever the administration becomes aware of quality programs suited to the specific needs of a child, the Principal or the assistant Principal will notify the parent directly.

The summer school Report Card must be submitted to the office in September. Failure to attend summer school will result in retention. It is the parent's responsibility to provide documentation that summer school has been successfully completed. In cases in which tutoring is allowed for the remediation, it must be undertaken by a qualified teacher.

Use of School Grounds

The school does not have staff available to supervise students present on the school grounds **before 7:45 AM**. Students must not arrive on the school grounds prior to 7:45AM and parents must arrange to pick up at dismissal times.

Withdrawals and Transfers (G.3)

A transfer request must be obtained from the school secretary. All books must be returned. All bills must be paid before records are transferred to another school.

When a student transfers from one school to another, or enters high school, the new school may request a copy of the permanent record and health card from the former school.

Schools may disclose a student's cumulative record (i.e. permanent record, attendance record, test results) to another school with legitimate educational interest if a written request is made and when a custodial parent/guardian has given written permission for the release of the child's records. Parent/guardian signature is required for release of a student's confidential file (i.e. special education records, psychological reports, disciplinary records, anecdotal information, or reports by the school counselor).

At the discretion of the Principal, Our Lady Help of Christians School has the right not to certify the student's graduation or provide transcripts of the student's academic record to third parties such as other schools, colleges, or employers, or to issue a diploma to the student, if there has been a breach of a material condition of the contract (i.e., failure to meet financial obligations, infractions against the school's code of conduct).

The school reserves the right to request the parent to withdraw his/her child from the school due to serious disciplinary issues.

Summary Statement

Once students have met the necessary admission requirements and have been accepted in the school, the school warmly welcomes these students for the coming school year and will strive to provide them with a solid Catholic spiritual and academic education in a supportive learning environment. Students and parents must always be mindful that attendance at the school is by invitation. It is not a "right" because this is a private school. Admission to and continued enrollment in this school include responsibilities regarding conduct, both inside and outside the classroom and school, and students are expected to conduct themselves in such a manner as to be a credit both to themselves and to their school.

In order to protect its standards of scholarship, discipline and character, the school reserves the right, and students and parents or guardians concede to the school the right to require the withdrawal of any student at any time, for any reason deemed sufficient in the sole discretion of the school and its administrators. By the student's attendance at the school, a student and his or her parents or guardians acknowledge the important

obligations and restrictions contained in this handbook and agree to be bound by the terms of this handbook.

Students attending the school relinquish certain rights they might otherwise be entitled to if they were attending a public school. For example, a student's freedom of speech is limited in many important respects here at our school. Speech, either written or oral, contrary to the Roman Catholic faith, the teachings of the church or the directives of the local Bishop or Ordinary is prohibited, as is any other speech which is contrary or disruptive to the philosophy and purposes of our school. Another important right all students at the school surrender involves searches and seizures. School administrators may search a student's person and belongings if there is a reasonable belief, in the sole opinion of the school administrator, that contraband, illegal substances or inappropriate objects are being concealed. Any unauthorized items found may be seized. Additionally, student desks and lockers, which are at all times under the joint control of the school and the student to whom the desk or locker has been assigned, may be searched by school administrators at any time, for any reason or for no reason at all. Students should have absolutely no expectation of privacy with regard to any item in their desks or lockers.

Another important right that a student and his or her parents or guardians give up when they decide to have a student attend this school is the right to sue the school, the parish, the Catholic School Region Corporation, or the Archdiocese of New York, and/or any individuals acting on behalf of the school, such as the school administrators, teachers, staff or any of their agents for any matter relating to academic or disciplinary decisions or other matters covered within this handbook. Each student and his or her parents or guardians, by their acceptance of enrollment at the school agree to and accept the school's rule and policy that students, parents and guardians may not bring any civil action in any local, state or federal court or in any administrative agency or body to challenge any school decision on academic or disciplinary matters, including any decision relating to the rules, regulations, procedures or programs covered within this handbook. Students and parents or guardians agree that any challenge to any school academic or disciplinary action or relating to the rules, regulations, procedures or programs covered in this handbook may only be challenged or appealed within the hierarchy of the school, subject to the limitations contained in this handbook. This includes any decision relating to a student's enrollment at the school or termination of that enrollment.

While any student and his or her parents or guardians are of course free to consult with legal counsel regarding any school decision taken with respect to a student, the school emphasizes that students and parents or guardians are not permitted to have legal counsel present during any meetings with school administrators. School administrators are not obligated to meet with legal counsel at any time.

There are several grounds for disciplinary action or expulsion set forth in the "Discipline Codes" section of this handbook. It should be noted, however, that any listing of prohibited conduct is set forth by way of example only and to provide guidance to the student and his or her parents or guardians. It is not meant to be an exhaustive listing of improper conduct or resultant disciplinary action.

Telecommunications Policy

Student Expectations in Use of the Internet

The use of the Internet is a privilege, not a right, and inappropriate use or violation of any of the following standards will result in serious consequences and could result in expulsion from the school.

1. Use of the computer at school is limited to school related activities. Internet users are expected to behave responsibly in accessing and viewing information that is pertinent to the mission of the school.
2. Vandalism and other infractions of school policy while using the Internet will result in immediate cancellation of privileges along with disciplinary action.
3. After School/Home Access requires students to follow the same student expectations as stated in the "Discipline Code for Student Conduct" and "Harassment Policies" in the student handbook.
4. Students must abide by the generally accepted rules of network etiquette both inside and outside school.
5. Students are responsible for their explorations on the Internet and are subject to the consequences of the school's discipline policy.
6. Students must sign a contract indicating their understanding and acceptance of the school's guidelines (see parent/student handbook).
7. Parents must give their permission for their child to use the Internet for educational purposes as an individual by signing the Contract Form once conditions are clearly understood. Parents also have the option of denying permission for their child to use the Internet independently at school

- The school reserves the right to seek financial restitution for any damage caused by a student or other user. The system administrators will deem what is inappropriate use, and their decision is final. The administration, faculty, and staff of the school may request the system administrator to deny, revoke, or suspend specific privileges. Violation of the rules and code of ethics described above will be dealt with seriously.
